*Tips & Tricks for Traveling with your Pup*

# HOMETOWN HOSPITALITY *THE BAYMONT WAY*

Dear Guest,

Planning travel with a pup, especially for the first time, can feel overwhelming—but it doesn't need to. At Baymont by Wyndham, we're here to help make travel easy for the *entire* family.

That's why we created our Baymont Buddy Travel Planner. Inside, you'll find helpful tips from experienced pet parents across the country along with a handy one-page planning sheet.

Wherever your travels might take you, we look forward to welcoming you and your pup at one of our pet-friendly hotels across the country. After all, that's what hometown hospitality is all about.

Safe Travels!

# Meet Our Travel Experts

## **AIKO**

**SALINAS, CA**

Schedule a pre-trip check-up to ensure your pup's vaccinations are up to date.

## **NEWTON**

**HOUSTON, TX**

Invest in an airline-approved carrier and train your pup ahead of time so they learn to love and be comfortable in it for periods of time.

## **AYSA**

**MYRTLE BEACH, SC**

Make sure your pup is microchipped and information is updated. Air tags are great for monitoring your pet's whereabouts in real time.

## **BEAU**

**ANNADALE, VA**

Give your pup plenty of exercise before a long car ride so they're extra tired. Vet-approved calming aids are helpful to relax pups on the road.

## **PETUNIA**

**LOUISVILLE, KY**

Travel with a no-pull harness. They're great for balancing your pup and your luggage all at once.

## **AMOS LEE**

**DANVILLE, KY**

Don't forget to bring extra blankets. They help keep furniture clean and protected along the way.

## **GORDIE**

**DETROIT, MI**

Visit dog parks when you travel. It's a great way to meet local pup owners and get pet-friendly recommendations around town.
