About 71,000¹ drowsy related crashes involve non-fatal injuries.

More than 40%² of drivers admit to falling asleep at the wheel at least once.

Super 8 by Wyndham has over 1,700 hotels across major US highways for road warriors to rest when they feel drowsy on the road.

Drowsy driving is related to at least 100,000³ motor-vehicle crashes and more than 1,500 deaths per year.

50 to 70 million⁴ U.S. adults have sleep or wakefulness disorders.
