Driving gives you more control. Plan ahead and be smart about making stops.

A wet mask is less effective at filtering. Keep extra in the glove box so you can change yours if it becomes wet.

Don't leave hand sanitizer in a hot car. Its effectiveness breaks down in temperatures above 105° F.

Super 8 by Wyndham has 1,600+ hotels across the U.S. and Canada, all with elevated health and safety protocols. Count on Us® to help you #JourneySafe.
