With one call or email, you have access to nearly 40 properties across the U.S. in 20 unique destinations, with 1.5 million square feet of meeting space and more than 42,000 guest rooms. That one call is powerful. It gives you the utmost in flexibility, benefits and more to make sure your meeting is a standout hit.

**Mix and match properties and meeting spaces** within a destination, under a single contract and minimum. There's no need to negotiate with them all separately; it's all conveniently consolidated and all counts toward one single food and beverage minimum, on one master bill. You can also hold your opening reception in a nightclub, your general session in a ballroom and dinner in a restaurant, and a portion of your spend counts toward your food and beverage minimum.

**Enjoy elite perks and privileges** with our exclusive Meeting Diamond program. You're a VIP, and we recognize that. Our nationwide Meeting Diamond program shows you how much we appreciate you and value your business.

## A COMMITTED NATIONWIDE TEAM OF DECISION-MAKERS

Your most important tool is the team standing behind you.

Passionate about what we do, our team has hundreds of years of combined experience in meetings and events, and is ready to meet any need and solve any challenge head-on. And we're unified, with everyone reporting up one simple chain of command.

Our team of in-market salespeople live and work in the communities where you live and work, providing dedicated sales contacts in your backyard that can get to know you, understand your business needs and provide access to our entire portfolio of properties. It seems like a no-brainer, but it is really different from how others do things. Our in-market salespeople are decision-makers. They won't need to check with the property to see what's available or what the rate is. They'll be the ones making the decisions, so they'll be able to respond more quickly and better meet your needs. And they work closely with third parties as well, facilitating strong partnerships for true win-win collaborations.

Our on-property salespeople provide property expertise, liaise seamlessly with our in-market team, and offer local groups the benefit of a contact that is both local and on-property. It is, uniquely, the best of both worlds.

## COLLABORATIVE SOLUTIONS WITH A PARTNER YOU CAN TRUST

Partnering with you—working together to find the best solutions to help you achieve your objectives—is how we both succeed. We strive to prove our commitment to you and your business with our unique structure and dedication to service.

But it's more than just what we offer; it's about how easy we make it for you.

It's what we strive to do better than anyone else in the business: offer you a wealth of options and unique benefits that both simplify your job and help you achieve greater success.

“We're intent on providing increased satisfaction and success to our customers, while making it as simple and convenient as possible for them in the process. You don't get just a salesperson; you get an entire team, operating under one philosophy and vision. Ultimately, our goal is not to win your business once, but to earn your loyalty for a lifetime.”

— Michael A. Massari, Senior Vice President, Caesars Entertainment

# CODEGREEN®

We recognize the importance of being responsible stewards of the environment, and we dedicate substantial financial, organizational and human capital resources to our award-winning environmental brand, CodeGreen. Between January 2010 and June 2011 alone, we invested \$109 million in combined giving to non-profit groups, with a substantial portion going to conservation-related organizations.

Additionally, over the last several years, we have significantly reduced our consumption of natural resources through various property initiatives including improving the efficiency of air-handling systems and guest room thermostats, installing low-flow water controls and high-efficiency lighting, adopting standards for use of green-certified or environmentally preferred housekeeping products and instituting comprehensive recycling programs. Other achievements:

- First among gaming companies to win a regional EPA Environmental Quality Award and the first to be a member of EPA Climate Leaders and EPA Waste-Wise
- Founding member of Team Earth, a select group of the world's leading corporations seeking to affect climate change issues through education, engagement and collective corporate action
- The first gaming company to receive seven gold medals and accreditation for all eight of our Las Vegas properties by Travelife Sustainability Systems, which identifies travel and tourism-related companies that have excellent environmental and social practices
- One of the earliest supporters of Clean the World, a non-profit that saves millions of lives around the world by recycling and distributing used hotel soaps and bottled amenities. In addition to donating our used soap, we have committed grants totaling \$250,000, enabling Clean the World to build a recycling facility in Las Vegas and substantially increase their operational capacity, while also reducing the amount of waste that will go into local landfills
- Unique co-generation facilities allow us to produce our own electricity at three of our Nevada resorts, reducing energy loss through transmission lines and capturing waste heat for hot water needs
- Our Atlantic City properties were collectively named New Jersey's Clean Energy Business Leader of the Year in 2009, and in 2008, the four resorts won a regional EPA Environmental Quality Award
- Energy conservation efforts have resulted in energy savings of over 170 million kilowatt-hours each year – enough to power 16,000 average homes
- We have saved 72 million gallons of water each year by building and operating a more efficient laundry facility to service our Las Vegas resorts
- Since October of 2010, more than 100 of our meeting sales and services managers have been certified as Green Meeting Professionals by independent third party Esty Environmental Partners

Ask your Convention Services Manager how you can make your meeting more sustainable.

## GOLF

Chariot Run Golf Course is one of the region's top championship golf courses. This spectacular equestrian-themed course has 18 holes spanning 7,200 yards of exciting golf played on bent grass greens and lush fairways surrounded by beautiful trees and sparkling lakes.

To make your event unforgettable, why not arrange for group lessons? And at the end of your round, browse the pro shop, sit back on the spacious porch of the clubhouse and delight in the view with a refreshing beverage, or enjoy a snack or meal in the dining room.
