It is the way we are answering the call to reduce our overall resource usage and take aggressive and proactive measures to preserve our environment for future generations. We're doing all we can to make our venues—and the meetings and events that happen here—a whole lot greener.

Around the world, Caesars Entertainment has earned nearly 90 awards, recognitions and certifications for our sustainability policies and environmentally friendly practices:

- Our CodeGreen meetings practice follows Accepted Practices Exchange (APEX) guidelines to promote and enhance environmental and operational efficiencies.
- In Las Vegas, our Caesars Palace Convention Center expansion has earned LEED Silver certification and we are on track to achieve LEED certification for all newly built convention space as well as any expansions.
- In Atlantic City, the new Waterfront Conference Center at Harrah's Atlantic City was built to LEED Silver Certification standards and is designed to use 20.6% less energy than a typical building.

- We are a member of the Global Sustainable Tourism Council to promote and build awareness for sustainable tourism practices and principles.
- We work with cross-sector frameworks such as the Global Reporting Initiative, and we report on programs and practices beyond environmental impact.

- Our properties have thousands of low-flow water controls and fixtures that have helped to reduce our water use by 7% since 2008.

WE MAKE IT EASY TO BE GREEN.

We can help your meetings be green, too.

Our sales and operations staff are independently certified as Green Meetings Professionals. When you plan with Caesars, we'll find ways to meet your company's and clients' sustainability goals without putting a crimp in your meeting's effectiveness—or your meeting budget.

We are rooted in the places we call home and work to support our communities for the long term. Through our corporate citizenship efforts, the communities that we are part of experience the positive impact that our company and our people make.

Our local communities are of utmost importance to us, and we play an active role through volunteerism, economic contributions, in-kind support and advocating for social causes. Caesars gives triple the estimated average of U.S. corporations for every \$10 million in revenue.

THE WILL TO DO WONDERS

The Caesars Foundation is funded by operating income from Caesars properties. Since 2002, the Caesars Foundation has donated more than \$70 million to support our communities. Giving is focused on four main areas: helping older individuals, promoting a sustainable world supporting educational innovations and strengthening communities in which we operate.

CLEAN THE WORLD

One of Caesars' proud partnerships is with Clean the World, a charitable organization dedicated to saving lives and preserving the environment. Team Members collect discarded soaps and shampoos and send them to Clean the World, where they are recycled and distributed to at-risk communities around the world.

SECOND WIND DREAMS

This organization is dedicated to changing the perception of aging through the fulfillment of dreams and offering innovative educational opportunities to caregivers and communities. Caesars HERO volunteers assist in this effort at many properties. In Spring 2014, Las Vegas HERO volunteers joined an Elvis impersonator at the Silver Ridge Health Care Center to fulfill two dreams. Magdalena, age 100, and Marcia, age 58, were overjoyed to receive a special performance from their favorite singer. Magdalena even sang along with her favorite song, "Are You Lonesome Tonight?" This fulfilled dream has become a treasured memory for everyone involved.

TOGETHER WE MAKE A DIFFERENCE

- **Caesars HEROs volunteered nearly 200,000 hours in 2014**
- **Caesars U.S. societal contributions totaled more than \$4.5 billion in 2012**
- **Caesars U.S. property giving topped \$5.9 million in 2014**
- **Clean the World has distributed 1.6 million bars of soap based on Caesars contributions alone**
- **Caesars Foundation has provided \$1.1 million to Second Wind Dreams since 2008**

LAS VEGAS MEANS BUSINESS

Las Vegas is an ideal location for meetings and events and offers unrivaled value. The city conducts an average of 19,000 meetings, conventions and incentive programs a year, ranging in size from 10 to 100,000 attendees. We know how to do business and customers consistently select us because we provide an excellent return on investment for the companies that come here.

Las Vegas offers 150,000 rooms and more than 10.5 million square feet of meeting space, with options to fit all needs and budgets. We have the infrastructure to bring in and move around large numbers of people efficiently and inexpensively. Over 900 convenient flights daily between Las Vegas and cities around the globe provide reasonable airfares and easy access. The proximity of the airport—just one mile from the heart of the city—reduces ground travel time and expense. And it's easier to entice attendees: 47 percent of convention visitors said that holding an event in Las Vegas increased their interest in attending.

Planners prefer Las Vegas, too. They ranked the city #1 as being good for large trade shows, being inexpensive and easy to get to, having convenient airline service and having good hotels. And among corporate planners surveyed, Las Vegas ranked #1 for having excellent meeting facilities.*

“Las Vegas has the facilities, the service, the infrastructure and the experience to help us achieve our objectives and get real, quantifiable value out of our meetings.”

– Tim Gilmore, Vice President of Sales, MATCO Tools

The meeting professionals in Las Vegas get why we are here, take the time to understand our objectives and know how to help us get the maximum return on our investment.”

— John Cudahy, President, International Council of Air Shows

In the off-hours, a dedicated in-room TV channel can be activated so that all participants may simultaneously receive the same message.

FORM AND FUNCTION

What sets the Rio apart from other properties is its calculated layout and design. Though the property has spaces to accommodate the largest of affairs, it also offers numerous breakouts and countless configurations to custom-fit your needs.

The 54,910-square-foot PAVILION BALLROOM can accommodate almost any size or type of event. The vast, unencumbered space can be used for trade shows, while the configuration allows as many as 11 breakout rooms with corridors. Drop-down ceiling grids can be lowered quickly for easy access, making the hanging of lighting and décor easy and cost-effective. This gives you the option of setting each breakout room at varying heights as needed. The 20 grids can support anything from lighting and speakers to a car. The built-in 3,300-square-foot theatrical stage, with hydraulic lift, is ideal for a product launch or large-scale production.

The 39,060-square-foot AMAZON BALLROOM offers countless configurations. The space is designed to accommodate large general sessions and meal functions, while still providing over 18 breakout rooms of various sizes.

Catering & Dining

CATERING

Food and beverage play one of the most important roles when planning a conference. Aside from the content of your program, the creativity and quality of your menus have the most tremendous impact on your attendees. It's one of the key elements by which you are remembered.

Nationally recognized for its culinary excellence, the Rio built its reputation on award-winning dining. Our culinary team of over 200 chefs is one of the best in the country. On a daily basis, we prepare our own fresh pastas, bake our own breads and pastries in our 10,000-square-foot, state-of-the-art bakery, hand-cut our meats and even make our own ice creams and sorbets.

“Especially strong in food and beverage, the Rio never stints in quality, quantity or presentation. Clearly someone in the kitchen is working long hours to showcase this important aspect of meeting planning and it shows at every meal function.”

- Perrin A. McEwen, Managing Director
ADI Meetings and Incentives

DINING

Travel around the world and back again by sampling the diverse dining options at the Rio All-Suite Hotel & Casino. Many of our restaurants feature private dining areas, and all are available for group buyouts or for use as alternate meeting venues. For larger events, consider making dine-around arrangements. Divide large parties into smaller groups to alternate dining experiences over the course of your program. With so many delectable options, it can be hard to choose. Fortunately, your Catering/Convention Services Manager is here to help.

As you samba from one venue to another, note the mini stages throughout the casino floor. Here at the Rio, cocktail servers don’t just serve drinks; when the music starts, our “bevertainers” sing and dance.

GOLF

CASCATA®

Cascata, Italian for “waterfall,” is aptly named. A 418-foot waterfall flows from the steep mountainside, tumbling over mammoth boulders and cascading into a river that roars through the clubhouse before eventually culminating in a tranquil stream. It’s no wonder *Sports Illustrated* called it “golf’s hidden treasure.”

The option to organize tournaments is also available.

RIO SECCO®

Nestled in the foothills of the Black Mountain Range, this 18-hole championship course is home to the Butch Harmon School of Golf. For a truly unique setting, consider holding your small meeting of up to 35 people in the private locker room, where the lockers in the background belong to some of the game's greatest players, including Tiger Woods.
