Around the world, Caesars Entertainment has earned nearly 90 awards, recognitions and certifications for our sustainability policies and environmentally friendly practices:

- Our CodeGreen meetings practice follows Accepted Practices Exchange (APEX) guidelines to promote and enhance environmental and operational efficiencies.
- In Las Vegas, our Caesars Palace Convention Center expansion has earned LEED Silver certification and we are on track to achieve LEED certification for all newly built convention space as well as any expansions.
- In Atlantic City, the new Waterfront Conference Center at Harrah’s Atlantic City was built to LEED Silver Certification standards and is designed to use 20.6% less energy than a typical building.
- All Caesars Entertainment properties have been certified by Green Key. Caesars is also using Green Key for non-hotel properties, focusing on high-impact areas such as meeting spaces to reduce overall environmental footprint.
- We are a member of the Global Sustainable Tourism Council to promote and build awareness for sustainable tourism practices and principles.
- We work with cross-sector frameworks such as the Global Reporting Initiative, and we report on programs and practices beyond environmental impact.
- In just five years, we’ve reduced our carbon footprint by 11.4% and reduced energy use by 19%, and our recycling and waste programs have diverted overall waste at U.S. properties by 24%.
- Our properties have thousands of low-flow water controls and fixtures that have helped to reduce our water use by 7% since 2008.

**WE MAKE IT EASY TO BE GREEN.**

We can help your meetings be green, too.

Our sales and operations staff are independently certified as Green Meetings Professionals. When you plan with Caesars, we’ll find ways to meet your company’s and clients’ sustainability goals without putting a crimp in your meeting’s effectiveness—or your meeting budget.
We are rooted in the places we call home and work to support our communities for the long term. Through our corporate citizenship efforts, the communities that we are part of experience the positive impact that our company and our people make.

Our local communities are of utmost importance to us, and we play an active role through volunteerism, economic contributions, in-kind support and advocating for social causes. Caesars gives triple the estimated average of U.S. corporations for every $10 million in revenue.

THE WILL TO DO WONDERS
The Caesars Foundation is funded by operating income from Caesars properties. Since 2002, the Caesars Foundation has donated more than $70 million to support our communities. Giving is focused on four main areas: helping older individuals, promoting a sustainable world supporting educational innovations and strengthening communities in which we operate.

CLEAN THE WORLD
One of Caesars’ proud partnerships is with Clean the World, a charitable organization dedicated to saving lives and preserving the environment. Team Members collect discarded soaps and shampoos and send them to Clean the World, where they are recycled and distributed to at-risk communities around the world.

SECOND WIND DREAMS
This organization is dedicated to changing the perception of aging through the fulfillment of dreams and offering innovative educational opportunities to caregivers and communities. Caesars HERO volunteers assist in this effort at many properties. In Spring 2014, Las Vegas HERO volunteers joined an Elvis impersonator at the Silver Ridge Health Care Center to fulfill two dreams. Magdalena, age 100, and Marcia, age 58, were overjoyed to receive a special performance from their favorite singer. Magdalena even sang along with her favorite song, “Are You Lonesome Tonight?” This fulfilled dream has become a treasured memory for everyone involved.

CATERING

Paris, France, one of the most romantic cities in the world, is also considered a culinary epicenter—just as Las Vegas is also now highly regarded. Paris Las Vegas brings together the best of both worlds with award-winning chefs, tantalizing menus and unsurpassed service.
Our catering team is composed of seasoned experts, experienced in creating gastronomic experiences that will surpass your expectations and impress your attendees beyond compare. From simple refreshments for an afternoon breakout session to a formal sit-down dinner for thousands, every element will be tastefully prepared and artfully presented.

Freshness, top quality ingredients and time-honored recipes play key roles in our food preparation. Each day, we bake breads, pastries and desserts from scratch. We take the time to hand-carve our meats and thoughtfully create everything that comes from our kitchens for your dining pleasure.

**DINING**

Paris Las Vegas is home to some of the most celebrated restaurants gracing the Las Vegas Strip today. Our diverse dining establishments are feasts for the eyes as well as the palate, with an array of options from casual brasseries to connoisseur-pleasing gourmet spots. So many options; so little time. Thankfully, your Catering and Convention Services Manager is by your side to help you plan.

THE CROMWELL
LAS VEGAS
The Cromwell brings the legacy of Las Vegas back with a modern twist. Experience the pulse of an extraordinary lifestyle that you won’t be able to resist. Located on a dynamic corner at the center of the Strip, this stand-alone luxury boutique hotel offers lavish accommodations and a 40,000-square-foot casino.

A passion for pleasure is what The Cromwell is all about. The moment you enter, you’ll feel the attraction— you’ll be drawn into the euphoria and be utterly seduced. Our 188 rooms and suites are evocative of modern Parisian loft-style apartments featuring vintage motifs and breathtaking views of the city. Every detail is meant to have a purpose, and every purpose is for your gratification.

Here at The Cromwell, we are obsessed with defining every moment with experiences to beguile the imagination and excite the senses. Our many amenities include a sophisticated lobby bar— Bound —where a new level of class, cocktails and chic circular bar will impress; Celebrity Chef Giada De Laurentiis’ only restaurant in the world serves up her signature California-influenced Italian cuisine; and Victor Drai’s new rooftop Las Vegas Landmark—Drai’s Beach Club • Nightclub is the epitome of decadence.

See and do everything differently at The Cromwell. Your presence here is the only one that matters.
Reminiscent of a Parisian-style apartment, each one of our rooms and suites features distressed hardwood floors, plush seating and antique trunk-style furnishings to give it both a modern and vintage flair. The neutral tones and berry accents provide a relaxing, glamorous vibe. A unique feature in the bathroom are English-French phrases embedded in black and white mosaic-tiled shower walls. The elevator lobby offers coffee, tea and fruit-infused water.

CASCATA®

Cascata, Italian for “waterfall,” is aptly named. A 418-foot waterfall flows from the steep mountainside, tumbling over mammoth boulders and cascading into a river that roars through the clubhouse before eventually culminating in a tranquil stream. It’s no wonder *Sports Illustrated* called it “golf’s hidden treasure.”

The option to organize tournaments is also available.
RIO SECCO®
Nestled in the foothills of the Black Mountain Range, this 18-hole championship course is home to the Butch Harmon School of Golf. For a truly unique setting, consider holding your small meeting of up to 35 people in the private locker room, where the lockers in the background belong to some of the game’s greatest players, including Tiger Woods.
