WAIVER OF LIABILITY FORM

Although Camp Silverado has taken reasonable steps to provide my child with appropriate equipment and/or skilled children’s coordinators so my child can enjoy an activity for which my child may not be skilled, this activity is not without risk. Certain risks cannot be eliminated without destroying the unique character of this activity. The same elements that contribute to the unique character of this activity can cause loss or damage to my child’s possessions, or accidental injury, illness or, in extreme cases, permanent trauma. Camp Silverado does not want to frighten my child or reduce my child’s enthusiasm for this activity, but the camp does think it is important for me and my child to know in advance what to expect and to be informed of the inherent risks. The following describes some, but not all, of those risks:

- 1) Outdoor activities require exposure to natural elements that are beyond Silverado’s control.
- 2) Children will participate in games and physical activities such as running which may result in slips, trips, falls, etc.

I am aware that my child’s participation entails risk of injury. I understand that the description of these risks is not complete and that other unknown or unanticipated risks may result in injury. I agree to assume responsibility for the risks identified herein and those risks not specifically identified. My child’s participation is purely voluntary. No one is forcing my child to participate and he/she elects to participate in spite of the risks.

I certify that my participating minor child is fully capable of participating in this activity. Therefore, I assume full responsibility for my child and for bodily injury and loss of personal property and expenses thereof suffered by my child or me as a result of those inherent risks and dangers and of my child’s actions in participating in this activity.

I also authorize the person with direct supervisory control of this camp in whose care my child has been entrusted by me to consent to any x-ray examination, anesthetic, medical or surgical diagnosis or treatment and hospital care to be rendered to said minor under the general and special supervision and upon the advice of a physician and surgeon licensed under the provisions of the California Medicine Practice Act.

I acknowledge that on some days at camp, my child may be transported via a Silverado Resort shuttle van to an activity/field trip destination either on property or at the Napa County Fire Department located just up the street from the Resort at 1820 Monticello Road. I consent to my child being transported via a Silverado Resort shuttle van and I understand that if I choose not to consent to this method of transportation, my child may not participate in field trip/activity unless I arrange for alternative methods of transportation.

I have read, understood and accepted the terms and conditions stated herein and acknowledge that this document shall be effective and binding upon my child and myself. I, the parent/guardian of the above named give my approval to allow participation in all Kid’s Camp activities, including golf cart transportation. I know that participation in Kid’s Camp may result in serious injuries and hereby waive, release, absolve, indemnify, and agree to hold harmless, Silverado Resort, the owner, organizers, instructors, sponsors, volunteers and participants, for any claim arising out of any injury to my child whether the result of negligence of for any other cause.
