Wyndham Grand Rio Mar
Beach Resort & Spa

*Your body is a temple.
Treat it as such.*

It's true. A single moment spent in joy colors all the moments that follow. At Mandara Spa at Wyndham Grand Rio Mar Beach Resort & Spa, while our therapists and aestheticians bestow their expert touch upon your physical body, its effect resonates to the core of your being. Much can happen in a Mandara moment. *What are you waiting for?*

Our Story

Mandara had its beginnings on the spiritual island of Bali, where bougainvilleas border the narrow streets and the pace of life meanders like a gentle flowing river. It was here that we discovered the reverence for the healing arts, especially massage and aromatherapy, which are so deeply entwined within the culture that they have become part of the Balinese way of life.

Mandara has traveled far from its roots while still maintaining a strong connection. Today we offer Balinese-inspired services in luxury resorts that stretch from the South Pacific Islands to the Far East and across the Americas to the Caribbean.

The name Mandara is Sanskrit and comes from an ancient legend about the gods' quest to find the secret to eternal youth and beauty. **In a Mandara moment, you may just discover it yourself.**

Transcend. Transform. Trust the Moment.

Not sure what to choose? Throughout the brochure, our most well-loved services are denoted with the Mandara symbol.

Your face tells a beautiful story
when you smooth out the story line.

Elemis Urban Cleanse for Men Facial

The deep complexion cleanse and complete skin detox. This super-grooming, deep cleansing facial decongests the skin, working overtime to help eliminate blocked pores, rapidly accelerate skin repair and neutralize impurities. Fast-acting ingredients reduce sensitivity and provide long-lasting defense against the damaging effects of daily pollutants, leaving the skin visibly clear and squeaky clean. 60 minutes.

La Thérapie HydraLift Facial

This youth-enhancing facial produces results that are fast and dramatic. With the use of galvanic stimuli the appearance of fine lines and wrinkles are reduced, skin tone and texture are restored and the complexion becomes smoother and more radiantly youthful after just one treatment. If you want to concentrate on those areas vulnerable to the first signs of aging such as your eyes, neck and lips then this highly effective skin treatment is for you. 50 minutes.

La Thérapie Micro-Therapy Facial

Using the latest computerized technology and fine granules we gently exfoliate the skin's surface to reveal the healthy, undamaged skin underneath; then we nourish and deep cleanse the skin using special formulas to withdraw deeply embedded impurities. Microdermabrasion non-invasively helps soften fine lines, reduce skin discoloration, tighten the pores and reduce the appearance of age spots and scarring. When combined with La Thérapie HydraLift, it is as indulgent as it is effective. 50 minutes.

La Thérapie HydraPeel Facial

Safe for all skins, unbuffered Glycolic preparations offer immediate, visible results for aging, sun damaged, acne-prone and hyper-pigmented skin. Following a thorough skin analysis and consultation you will be prescribed a treatment regimen appropriate for your specific needs. With the use of galvanic stimuli, the active ingredients are propelled into the deepest surface layers of the skin, helping to remineralize, remoisturize and rehydrate beyond the surface. Results are immediate after one treatment; lines, wrinkles and scarring appear finer and lighter. 50 minutes.

La Thérapie Intensif Facial

Upgrade your La Thérapie HydraLift or HydraPeel Facial and target those areas most vulnerable to premature signs of aging. This facial includes booster treatments using patented formulas to minimize visible signs of aging around the eyes, the lip and delicate skin on the neck. Combining potent formulas that include plant collagen to plump up the cells, Caviar to help lift the skin and vitamins and anti-oxidants to offer powerful protection against free radical damage, this facial promises to provide your skin with a positive boost of reinforcement. As an added treat, La Thérapie Intensif also includes the HydraPeel Hand Treatment, a facial for the hands, that helps resurface the skin and fade the appearance of brown spots and dryness. 50 minutes.

Harnessing the properties of the volcanic Basalt stones, we bathe them in warm water and anoint them with spicy, sensual aromas of the Orient. Small stones are placed on key energy points on the body, evoking an aura of warmth, while the deep penetrating heat from the stones is used to massage the body using traditional techniques to soothe away stress and to relieve muscle aches. 50 or 75 minutes.
