BOTTLES

MODERN AMERICAN TAVERN

Rotating Draft Selections

12oz/16oz

Clown Shoes Clementine Belgian Style White Ale | 6% ABV

7/9

Chicago, IL

Light-bodied & crisp with plenty of zest! Sly & easy-drinking, Clementine is dynamic & flavorful enough to satisfy discerning craft beer palates, yet light enough to count among "sessionable" beers.

Virtue "Prince Hal" Royal Welsh Cider | 5.8% ABV

6/8

Fennville, MI

Named after Henry, Prince of Wales. Prince Hal is said to have spent his time in the taverns, doubtlessly enjoying many a Welsh cider. Made with Michigan apples, fermented with British yeast, & aged in French Oak, this cider finishes between dry & sweet.

Tallgrass Zombie Monkie Porter | 6.2% ABV

7/9

Manhattan, KS

A relentlessly tasty robust porter crafted with loads of roasted dark chocolate & specialty malts, inoculated with enough hops to add a floral, citrus character to the finish. It's hearty & complex, brewed for the post-apocalyptic world to keep you motivated while you're fleeing from the undead.

Berghoff Oktoberfest | 5.6% ABV

6/8

Chicago, IL

Like the classics, this version is deeply malty, with just enough hops to provide a sense of balance. Berghoff lightens up the body a little to avoid being too sweet, making for a crisper drinking experience. Slightly more hop bitterness as well as some pleasing hop aroma gives the Berghoff Oktoberfest a bit more punch & personality than the original.

Berghoff Straight Up Hefeweizen | 8.3%ABV

6/8

Chicago, IL

A refined aroma & a magical combination of complexity & easy drinkability, wheat beers tickle just about everyone's fancy. Subtle layers of banana, bubblegum & spicy clove, the signature trio for the style. The finish is creamy, dry & just a touch tangy.

Temperance Gatecrasher IPA | 6.6% ABV

7/9

Evanston, IL

Gatecrasher gets into the sold-out show without a ticket. It doesn't have to shout for people to listen. It arrives fashionably late but closes the place down. It stands apart from the bitter crowd & entices with bountiful aromatic hops & a touch of malt sweetness, proving there's more than one way to crash a gate.

Bell's Best Brown Ale | 5.8% ABV

6/8

Kalamazoo, MI

A smooth, toasty brown ale, and a mainstay in the fall lineup. With hints of caramel & cocoa, the malt body has the depth to stand up to cool weather, but does not come across as heavy. This balancing act is aided by the generous use of American hops.

Sam Adams Boston Ale | 5.4%ABV

6/8

Boston, MA

When the Boston Brewery opened in 1988, they created a special brew, Boston Ale, to mark the occasion. A "stock" ale with a distinctly American character, using earthy English hops along with the sweetness of caramel malts, fermented as an ale & aged at cool temperatures.

Goose Island Green Line Pale Ale | 5.4%ABV

6/8

Chicago, IL

Honey-colored, immensely sessionable American pale ale with a pronounced, bright, American hop aroma & citrus flavor. Notes of biscuit & lightly toasted malt create the backbone for Green Line's pleasant, crisp bitterness.

Tighthead Scarlet > Fire Red Ale | 5.6%ABV

7/9

Mundelein, IL

An Irish-style Red Ale. The name is a reference to the playful, improvisational transition between Grateful Dead's Scarlet Begonias & Fire on the Mountain. Nice balance of malt sweetness from caramel malt & subtle toasty notes from roasted barley. The beer is brewed with American Ale yeast, & the hops are East Kent Golding's, paying tribute to its heritage as an Irish Red Ale.

5 Rabbit Golden Ale | 5.3% ABV

6/8

Bedford Park, IL

An elegant beer that shows hints of light caramel & honeyed malt notes, carefully balanced with a sophisticated European noble hop aroma, with fruity & spicy flavors.

Hypothesis Drafty Window Farmhouse Ale | 5.5% ABV

6/8

Chicago, IL

Sir Isaac Newton, friend of gravity & of gold, was also a politician — but not much of one. As a member of parliament in the late 1680's he never waded into the partisan fray, only uttering a few words of complaint to an usher about a drafty window. We hope you enjoy this Drafty Window more than Newton enjoyed his.
